On the Road with TEEG

TEEG provides programs to many communities in Northeast Connecticut. Contracted by the municipalities of Thompson, Pomfret and Woodstock, residents in these towns have access to all TEEG services. Additionally, residents throughout the Quiet Corner are able to access and participate in many community, family education and youth service programs. Join us on this year's 'road trip' and learn what TEEG brings to your community!

Dedication - James Naum

September 6, 1931 - November 11, 2013

The road to TEEG's success as a community agency with heart was paved with the compassion of many, but few as caring and generous as Jim Naum. Serving as a member of the TEEG Board of Directors and Vice President for over a decade, Jim led our agency with a sense of community that is rare. Grateful for his ability to always find unique ways to make our corner of the world a better place, we dedicate the 2014 TEEG annual report to James Naum.

Acknowledgements

Once again, TEEG extends our heartfelt gratitude to the creative team who provides us with top-notch service with a smile. Just like old-time filling stations that popped the hood, checked the oil and washed windows, the creative team of MAD Communications, Angell House Design and Express Photo go above and beyond to put TEEG on the map. Their willingness to fuel our message year after year AT NO COST TO TEEG OR THE NORTHEAST COMMUNITY is truly remarkable. The continued donation of time and talent is offered because they believe in TEEG's mission - a community taking care of its own.

The 2013 Annual Report "Your HOME Team" was an award-winning home run for TEEG! We were honored to receive "Best in Show" at the Connecticut PRSA Mercury Awards.

The Have a Heart Tour

As TEEG enters our 27th year of service to the towns of Northeast Connecticut, we decided it was time to take a road trip. Our MISSION OF EMPOWERMENT has driven TEEG to offer more programs in more communities. The goal of this year's Annual Report is to help people better understand what we do and where we do it, who we do it for and who makes our work possible.

We invite you to take a ride with TEEG as we wind our way through the highways and byways of the Quiet Corner. Along the way we'll visit familiar places, introduce you to our staff and Board of Directors, and share snapshots from our journey. You'll meet our Campaign Chairpersons and see the long list of donors who make this trip possible. So please, sit back and enjoy the ride!!

Oh, the places we'll go!

Our travels through the Quiet Corner begin with clear direction provided by local guides who know all about the landscape of Northeast Connecticut. The TEEG Board of Directors are members of the Thompson, Pomfret and Woodstock communities. They work together to take us where we need to go and make a point of having a lot of fun along the way!

Every successful team is supported by a quality pit crew that keeps things humming along. It takes a dedicated preventive maintenance strategy and flexibility to deal with emergencies when they arise. The leaders of the TEEG crew are adept at quickly and efficiently finding the right tools to fix any problem and keep our agency moving at top speed. Our Administrative team is always ready to do whatever it takes to keep TEEG going strong!

The journey of life provides a lot of opportunities for a traveler to lose their way. It can be difficult to navigate to the supports and services that can lead to an easier path. A personalized road map can help you get to your next best place. TEEG's Community Services Team is here to help. Providing individual case management, our staff can help you create your very own 'TripTik®' to guide you on the road of life!

Made with Love

Parenting is one tough job. TEEG's Family Services Team is here to help with education and support programs for families and children throughout the year.

Are we there yet? Young minds are always searching for something to do. TEEG's Parent Education programs offer tools every parent needs to survive the trip!

TEEG's Playgroup activities help our youngest community members learn important skills like sharing, taking turns and getting along...skills we want anyone traveling with us to know well!

Keeping families afloat and paddling in the same direction is one of the many things TEEG does best! Pictured: Diane Farquharson, Family Program Manager; Kim Nedzweckas, Summer Food Coordinator; Chelsea Valade, Community Liaison.

Braving the elements is always easier on a full stomach! Pictured: Carl Asikainan, Food Systems Manager; Nadia Krivosheev, Program Assistant.

With basecamp set up at the TEEG Food Pantry, our Food Security team works hard to make sure that everyone in all the communities we serve has enough to eat. Our partnerships with Connecticut Food Bank and the caring community of the Northeast Corner allow us to keep our shelves stocked with nutritious provisions.

TEEG works with the local community, like our 2014 Ambassador The Citizens National Bank, to combat hunger in Northeast CT.

Partnerships with Tourtellotte Memorial High School technology education class and HealthQuest bolster TEEG's ability to make sure that no one goes hungry.

Making Happy Memories

Childhood should be filled with worry-free fun. But for many kids, growing up can be a dangerous road with hazards and distractions at every turn. TEEG provides an array of services and programs for Youth Behavioral Health to give young people the support they need to find their way safely to adulthood.

The All Star Adventure Program (ASAP) is designed to provide vacation time and summer fun for area youth who are emotionally or behaviorally at-risk. With a staff ration of 1:2 we ensure a safe, supportive environment for all kids to enjoy community recreation and exciting adventures!

Sometimes, the quiet moments are most memorable.

Exploration should be a part of every childhood - to outer space and beyond!

Growing up isn't exactly a picnic - just ask any teenager just how hard this road trip can be! The TEEG Intensive Adolescent Mentoring program (IAM) provides local youth with personal travel guides and navigators to help them find their way.

Another program you might hear about traveling through the northern towns of the Quiet Corner is the TEEG Juvenile Review Board. This is a community program aimed at serving struggling children close to home. A panel of volunteers who represent all parts of our community meet monthly to deliberate over cases referred to TEEG. They work to balance accountability and fairness with the goal of keeping kids out of the court system while ensuring that they learn lessons of responsibility and good citizenship.

Every road trip has a price, and TEEG's is no different. The further we want to travel, the more fuel it takes to get there and the more money we need to save for the trip.

Our journey is not an aimless Sunday drive. At the beginning of each fiscal year our Board of Directors studies the map and gives careful thought to where they want our agency to go. They ask tough questions: Who should we see on our travels? How far is too far? How much should we try to do along the way? The answers to these questions chart our course. With the map and itinerary in hand, we budget the resources.

TEEG is a thrifty traveler. We save pennies, clip coupons, and call on friends to help along the way. We find ways to pay as we go with creative fee-for-service programs. At TEEG, our work is life's journey.
