PARENT CAFÉ

Sign up for a Parent Café During Playgroup!

Parent Café provides opportunities for parents to engage in conversations about their challenges, successes, and strategies. We have invited local practitioners and experts in child development that will help promote parental resilience, social connections, support, knowledge of parenting and child development, and social and emotional development in children.

September 22nd

“Extended pacifier and thumb sucking and your child’s health”

Mindy Hudon, Speech-Language pathologist

October 4th

“Communication – Being a good talker AND a good listener”

Heather Deluca, Perinatal Life Coach

November 1st

“The importance of your kid’s microbiome and the connections with ADHD/ADD”

Carly Sage, MS Functional Medicine Nutritionist &

Certified Integrative Health Practitioner

December ?

TBD

Marc Cerrone, MD Head of Pediatrics Day Kimball Medical Group

Parent Café’ Chats are from 10 am – 10:30 am

Coffee, Tea, and Morning Treats will be served.

Children will remain in the community room to play with TEEG staff,

while parents will join our guest speaker in the conference room.

You will return to your children following the chat to join us for snack, storytime and music.

Registration is required – spaces are limited
